48x72	\$4000
60x60	\$4200

All paintings are unique, if you are interested in a painting that has been sold Sophia can re-create it or she can paint something custom designed for your space.

To get started send Sophia an [email](#) with sample photos and color ideas and if Sophia decides to take on the job a 50% deposit is required to get started. The remainder will be due upon completion of the work.

Turn around time is usually 2 to 8 weeks and Sophia will keep you posted along the way with progress photos.

Delivery and shipping fees will also be discussed prior to starting the job. Prices below are an approximate price. Some paintings with less detail will be less and the more detail works will take more time and cost more.

Thank you for your business and we look forward to working with you.
